

Specifications	Model	OM16
	Name	charging cart (USB)
	Overall Dimension(W*D*H)	520x420x350mm
	Table Slot	580*460*410mm
	Net weight	18kg
	Gross weight	21kg
	Main material	Sheet metal+ABS
	Input	200~240VAC,10A
	Output	5.0VDC,2A (USB port*16)
	Max. power	300W
Safety protection	Overload protection	Support
	Leakage protection	Support
	Isolation protection	Support
	Over current protection	Support
	Short-circuit protection	Support
Authentication	ISO9001 , ISO14001 and Green environmental protection	
	CCC,CE,FCC,ROHS,REACH,CA65, Safety inspection report;	
Facade features	Door lock	*1
	Circuit breaker	*1
	Power supply	*1
	Fan	*1
	Indicator light for charging	*16 Red means charging, and green means full charged
Operating environment	Working environment temperature	0 °C ~ 45 °C
	Working environment humidity	20%~80%
	Storage environment temperature	0°C ~ 45 °C
Packing list	Charging cabinet	*1
	Key of the door	*2
	The power cord	*1
	User Manual	*1
	Certificate of quality	*1
	Micro USB charging line	*16
Warranty	Frame	3 years
	Electronic	1 year
